**BAR COUNTER**

Wriver is a luxury furniture brand proudly made in India; making contemporary designs grounded in international sensibilities made conveniently accessible to the Indian market through its curated collection and with a range of customisation options.

*At Wriver, we synergise rare craftsmanship and material innovation with comprehensive savoir-faire, to produce premium-quality, unmatched designs for empowering interiors.*

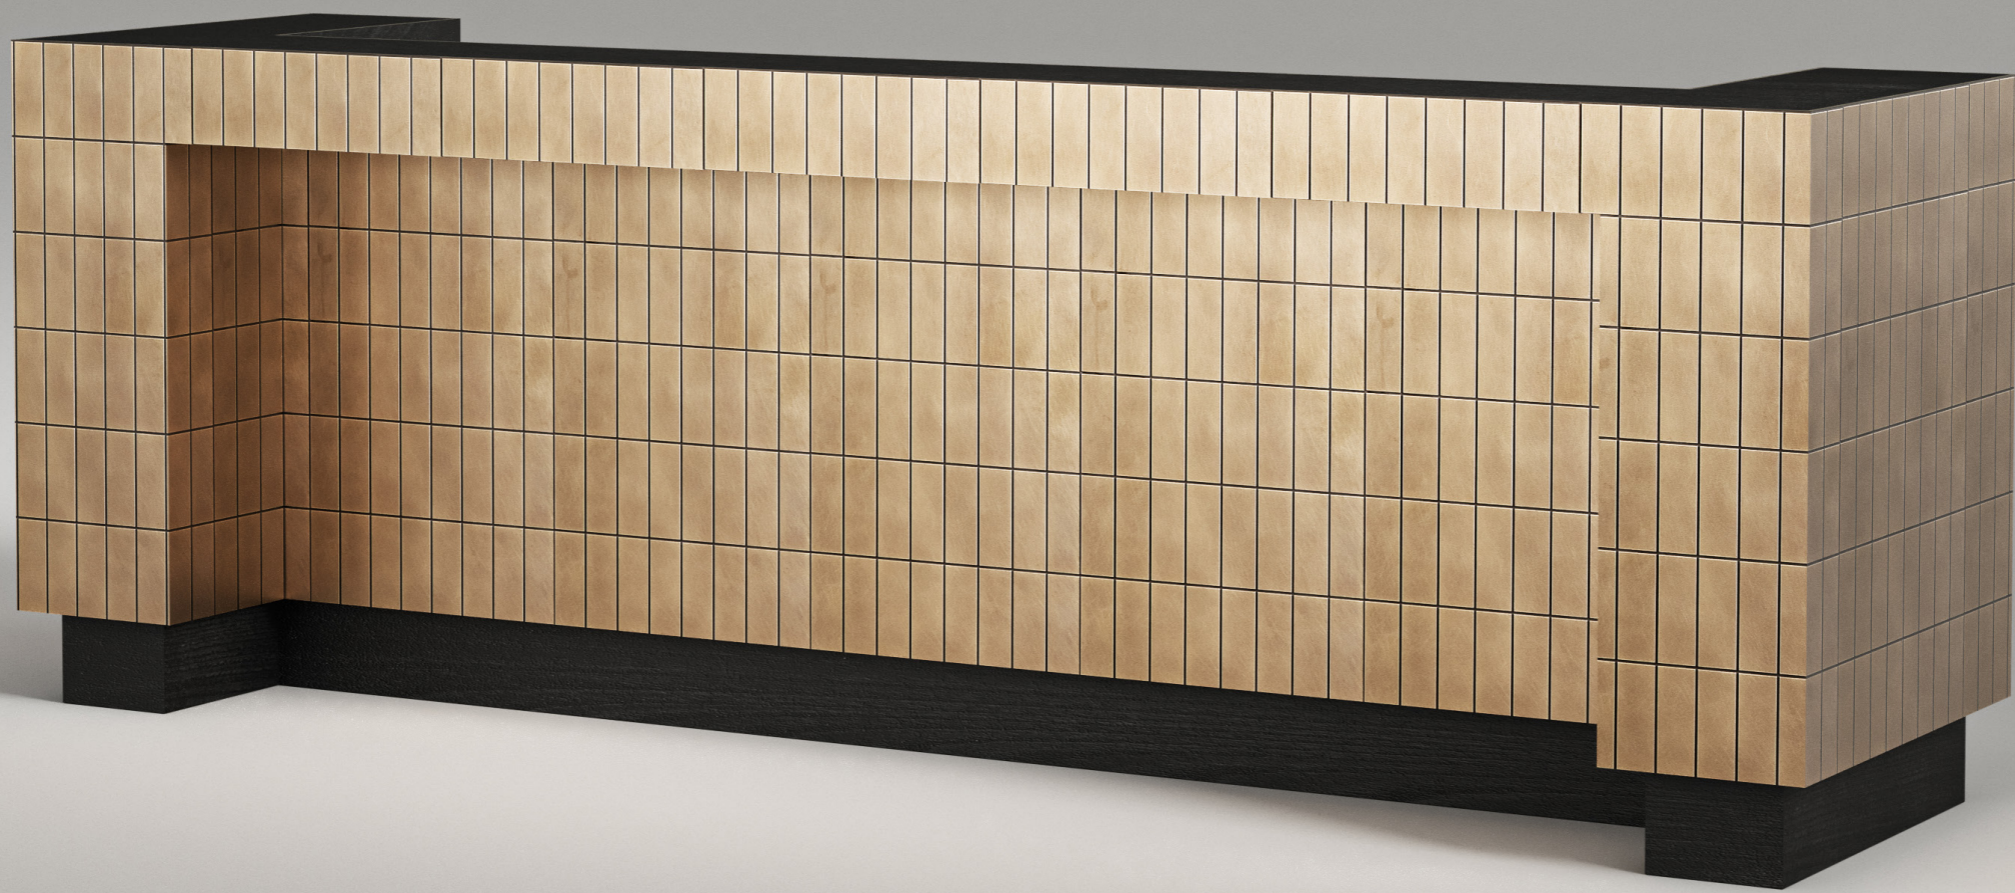

**FENESTRA BAR COUNTER**  
FASCIA COLLECTION

Fenestra is a series of free standing cabinets, the surface of which is conceptualized as the fenestration of an architectural structure. Each module of the surface tile is made out of oxidised metal. The opening of shutters merges with the grooves between the tiles, creating an illusion of a continuous surface. The form mimicking a building, very aptly justifies the idea of furniture as architecture of smaller scale.
