AEQUOR DIRECTOR'S DESK
FIGURA COLLECTION

Aequor is a contemporary executive desk, designed with elaborate and intricate details to meet the needs of the user. Based on the idea of layering various flat surfaces of leather and glass lined with wooden frame, the desk provides adequate storage compartments to create a clutter free work space. The leather covered desk pad extends to the glass surface with the chest of drawers underneath, offering multiple forms of storage solutions and an integrated multi-socket. Available in linear or L-shaped configuration with storage options on left or right hand side, Aequor Desk perfectly fits in any layout either for a domestic work corner within a home, or for a professional work space.
