LIGHTING

Wriver is a luxury furniture brand proudly made in India; making contemporary designs grounded in international sensibilities made conveniently accessible to the Indian market through its curated collection and with a range of customisation options.

At Wriver, we synergise rare craftsmanship and material innovation with comprehensive savoir-faire, to produce premium-quality, unmatched designs for empowering interiors.

Designed by: Studio Sumeet Nagi

OFFSET TABLE LAMP
IGNIS COLLECTION

Offset is a tall table lamp with a base in metal and the shade in Alabaster with brown veins. The metal base is distinguished by a fine ribbing pattern which is coated in an antique finish. The natural alabaster on the top is internally lit using warm white light, ensuring it receives even illumination.

SETTO TABLE LAMP
IGNIS COLLECTION

Setto is a table lamp featuring a cast brass base, which is offered in either a blackened or an aged finish. The lamp's shade, shaped like a capsule, is crafted using white fabric and emits a cosy warm white glow. Casting on the base introduces a visual texture, lending a subtle design element to a timeless piece.

TIG I TABLE LAMP
IGNIS COLLECTION

The Tig series of lamps combines captivating visual and tactile textures, incorporating metal and wood elements. The Tig I Table Lamp features a white fabric shade combined with a brass base that showcases a grainy casting texture. The metal provides the choice of either a blackened or aged finish. The series includes table lamps and floor lamps, specifically named Tig I, Tig II & Tig III.

TIG III TABLE LAMP

IGNIS COLLECTION

The Tig series of lamps combines captivating visual and tactile textures, incorporating metal and wood elements. The Tig III Table Lamp showcases a white fabric shade harmoniously paired with a base that is carved from a single block of wood using a gouging technique. The gouged wood can be elegantly stained in black or walnut finishes, giving a touch of sophistication to the lamp's design. The series includes table lamps and floor lamps, specifically named Tig I, Tig II & Tig III.

OFFSET FLOOR LAMP
IGNIS COLLECTION

The Offset Floor Lamp is a totem lamp with alternate units in alabaster & metal. Alabaster, the glowing component of the lamp, transmits warmth and looks beautiful even when turned off. Each alabaster piece in this towering structure is distinguished by its veins and thus, each lamp is unique as well. The beauty lies in the variation of its veins.

LUNA TABLE LAMP
IGNIS COLLECTION

The Luna Table Lamp, glowing like the moon, is a table lamp with a soft triangle-shaped form when seen from the top. The illuminated part of the lamp rests on a contrasting black matt lacquered plinth. The shade can be custom-made in either alabaster or white fabric. In an interior space, the Luna Table Lamp and the Offset Floor Lamp make an excellent pair, as they both share a similar form.

MIRAGE FLOOR LAMP
AMBIENTE COLLECTION

MIRAGE is a series of lighting products based on the concept of creating illusory effect through the fusion of parallel surfaces of metal and textured glass. The light passing through the edge of the glass defines its shape and provides indirect illumination. The oxidised metal panels with exposed joinery details gives a rustic appeal to the product. Mirage lights are available in various sizes based on utility; ranging from suspended, chandeliers to wall mounted sconces, and from free standing floor lamps to table lamps.

FARO FLOOR LAMP
AMBIENTE COLLECTION

Inspired from the traditional light-house with a structure that emits light from the top to assist navigation. FARO floor lamp presents a modern take on vintage industrial style. The perforated metal on the circular disk creates a classic illumination pattern over the light source, while it rotates around a pivot and swivels over a vertical pole, allowing it to adjust as per the required task. With an elegant fusion of craft and technology, Faro embodies a simple form that brings a sense of interaction, while the refined curvatures and a subtle use of materials create a familiar and comfortable visual appeal.
