ENDUR A PANELLING
AMBIENTE COLLECTION

Endur is a series of wall panelling designed to enhance the walls in an elegant, sophisticated and subtle way. The play of geometric shapes and linear patterns with the contrasting combination of materials make them unique and interesting. Every panel is enriched with the juxtaposition of flat, rectangular elements in eco leather and metal, highlighted with the metal trims. With the standard module width of 1200 mm, the panel sizes can be scaled horizontally and vertically as per the requirement.
