**STUDY DESKS**

Wriver is a luxury furniture brand proudly made in India; making contemporary designs grounded in international sensibilities made conveniently accessible to the Indian market through its curated collection and with a range of customisation options.

*At Wriver, we synergise rare craftsmanship and material innovation with comprehensive savoir-faire, to produce premium-quality, unmatched designs for empowering interiors.*

## **STELLO STUDY DESK**

FIUM COLLECTION

The Stello study table has a distinct form and is available in two material combinations. The first option is a fully lacquered table with a trim in antique metal. Second option has a lacquered table top with legs in metal. The metal legs are a combination of antique metal with a polished metal trim. Both designs can be customised with and without a drawer unit. The table works both for home offices & office settings.

### **STELLO STUDY DESK**
