"Simplicity is the ultimate sophistication."
Leonardo da Vinci

glide chair: wriwer

Part of the Ligne Collection, the Glide Chair combines function and elegance with concealed castors for effortless mobility. Its eco-leather and fabric upholstery, accented with leather piping, lends relaxed luxury and comfort. A velour version without castors retains the same sophistication and thoughtful detailing.

designer tiles: antica ceramica

Featuring intricate motifs, geometric patterns, and bold palettes, these tiles come in multiple formats – 200x200 mm to 600x1200 mm, and in matte and glossy finishes. They are non-slip, UV- and water-resistant, stain- and scratch-proof, ideal for walls, flooring, or façades.

bar table: beruru

Called from premium teakwood in a natural brown finish, this bar table combines functionality with design. Built in wheels, bottle holders, and a fold-out surface make it ideal for patios, lounges, and cafes.

www.beruru.com

rugs: cocoon fine rugs

The Outdoor Collection features rugs made from 100% PP1 yarn, often derived from recycled bottles. Durable, weather-resistant, and easy to maintain, they're perfect for terraces, verandas, and garden lounges.

lights: innovative design studio

The Baloom Collection by Brooks, designed by Usha Kulkarni and Ran Yehiel, features hand-blown glass domes joined by a pressed metal reflector, evoking hot-air balloons in flight.

light: poltrona frau

The Moonbeam Lamp from The Art of Light collection, in collaboration with Soe N. Fine, resembles a solar eclipse. Set on a natural brass or Pelle 1 star® base, it emits a soft crescent glow.
